

Welcome Back!

To Parents and Guardians:

Welcome back to school. I am pleased to have your child in my class and am looking forward to a productive, fun-filled year.

I would like to invite you to visit my website at

<http://teacherweb.com/CA/TexasElementary/MathewJackson/>

Every week, I update the website with a list of homework, spelling and vocabulary words, upcoming assemblies and/or field trips, classroom requirements, and a list of books that I think students might enjoy reading. I often post blogs on the website, where parents can chime in and share ideas, experiences, and thoughts about the concepts we are studying. This is also a good place to communicate with me.

In addition to the website, I will send home a weekly newsletter, along with your child's spelling test. The sheet with the spelling test includes a progress report and test scores for the week. Please sign the sheet and return it the next day. There is a Comments section, which you can use to write me a note if you have a question or concern that I should address.

ABC

I intend to be easily accessible and will respond to your child's needs as much as possible. I want all of us to enjoy the year and learn a lot.

I look forward to meeting you, so please come by and introduce yourself before or after school.

In the meantime, feel free to e-mail me or call me at the school.
